

# ACCESSIBILITY STATEMENT

---

**We support accommodating all and we strive to include people with disabilities in our web design.**

## **Conformance status**

The Web Content Accessibility Guidelines (WCAG) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. CleverAlpha is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard; however, we are open to suggestions and continue to improve the presentation of our web based business to all users.

## **Feedback**

We welcome your feedback on the accessibility of CleverAlpha. Please let us know if you encounter accessibility barriers or have feedback:

## **Technical specifications**

Accessibility of CleverAlpha relies on the following technologies to work with the particular combination of web browser and any assistive technologies or plugins installed on your computer:

HTML

CSS

JavaScript

These technologies are relied upon for conformance with the accessibility standards used.

## **Limitations and alternatives**

Despite our best efforts to ensure accessibility of CleverAlpha, there may be some limitations. Uploaded images may not have text alternatives, charts may not meet visual contrast standards, calculators may have smaller than desired font size. We are consistently reviewing the site to update and bring all content into compliance. Please contact us if you observe an issue not listed. We also monitor user comments, and we strive to repair issues within 10 business days.
